You heard, right?
Suyun too. If you need a part time then you can just work at our mandu shop
!

mandu- a type of Korean dumpling

What are you talking about? Just because we get another worker doesn't mean we get more profit!
It's better if she goes out and does her own work!

The only money I have is the only money I have, so--
햄버거

Excuse me.

I heard that if I came here I could see Guardian Angel of Sungan High!

Eh? I thought Guardian Angel was male!
It doesn't matter what gender as long as I do my job right! What do you want?

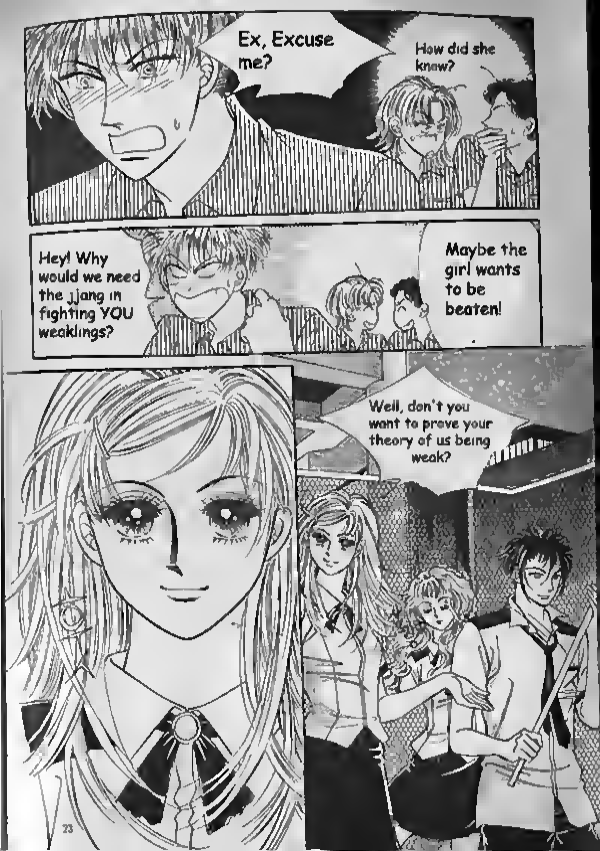
Yusung High students keep bullying our high school, so...
It's a hard job but...
Ok!, how much will you give me?
See, I don't have enough money with me
Oh?
Don't worry! Discounts are given! Just give me SOME money!
I give revenge to those who bully the weak although I take a bit of money from it
!

Yes..
It's a profitable job!
That's why my nickname is "Guardian Angel"!
But even Angels need help here and there.
Hello. Chanho?

I got work for us!
Mm?!
Yeju, Suyun got someone!
!

There are only three people?
Don't worry, just watch.

!
YOU cowards want a fight?
Where's your Jjang? You seem like the worst one.



Ex, Excuse me?
How did she know?
Hey! Why would we need the jjang in fighting YOU weaklings?
Maybe the girl wants to be beaten!
Well, don't you want to prove your theory of us being weak?

HIT THEM!
Oki!
Yeju, step one!
Oki!
Hey, guys! look at me!
She's not really going to beat us up with that sexiness!
Yeah, let's go away, to a hotel!

W-what?!
Over half is out already!

Hey hey! Wake, up!
Step two! My act, my act!

That bitch is fast AND accurate!
Chanho! Your turn!

Yaa!
Step 3- Suyun's left wing Chanho does some acting!
Everything works out perfectly!
Step 4- Suyun's right wing does some defeating the left-overs.

Hey~~
Yoohoo!
Bye~♡
What the hell are these freaks?
Why are you just standing there, lookin weird?
Distraction!

I'm warning you, if you ever bully our clients' school again, you'll feel the wrath of Guardian Angel.
Don't kid me, you childish fools!
Kek!
Tell that to your jjang.
sfx- SMACK

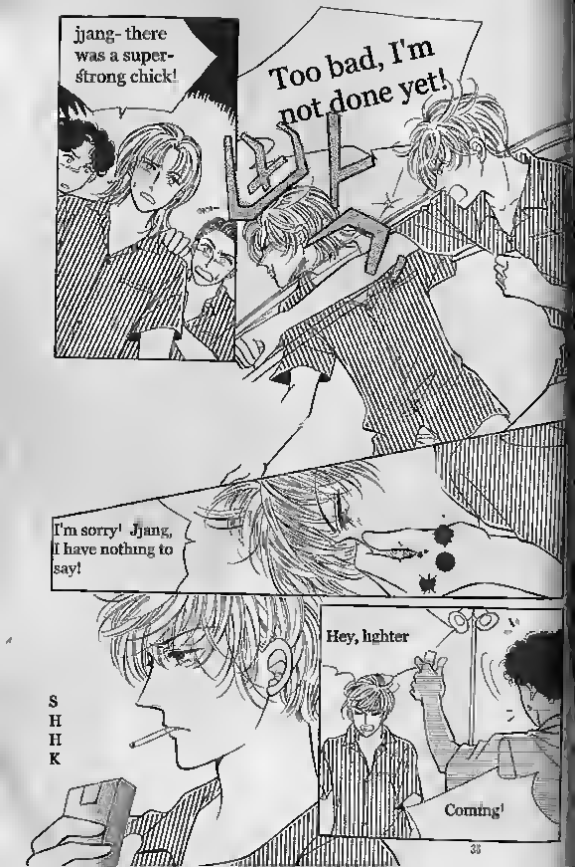
oh, shit.
Crud, it's my first time seeing THIS type of gang
What do I tell Jang?
hmm?
Wahoo! The fantastical three!

I was worried because there were only 3 of you, but...
If you need us, we'll be there for you always!
Yes! Thanks!
And you owe us 3 months for loan, don't forget.
dizzy
Yes
Yeah-- here!

Cash for each of you! Separated evenly!
Thanks!
Yeju! Your rich yet you take all the money!
Chanho Kim! A good fighter!
Yeju Jung! My current partner! Has the special ability to control men without using force!
What, you expect me to give up the thing I risked my life for just because I'm rich?

Hey! For winning I'll buy yous some mandu!
Oka! Your Bro makes the best mandu!
How did you know I was hungry?
Let's be the best forever!

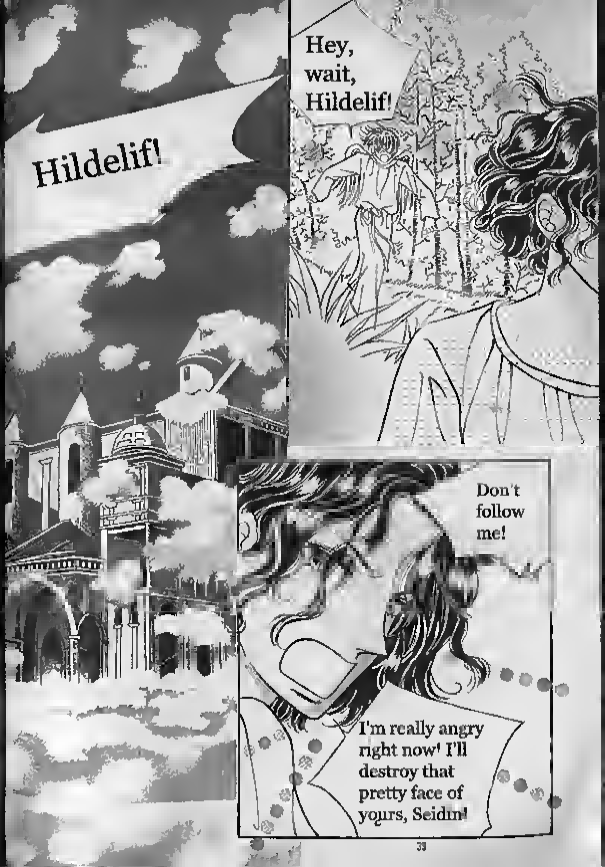
sfx- HIT
Bastard.
You come and report to me that you lost to THOSE bitches?



jjang- there was a super-strong chick!
Too bad, I'm not done yet!
I'm sorry! Jjang, I have nothing to say!
S H H K
Hey, lighter
Coming!

Hey, listen up Kangil. That Guardian Angel shit, research them. Learn EVERYTHING about them
Even about that bitch of a jjang! Get it?!
Yes, jjang! I understand!

The heavens
Who dared to mess up my precious underlings?
I'll break them to pieces!



Hildelif!
Hey, wait, Hildelif!
Don't follow me!
I'm really angry right now! I'll destroy that pretty face of yours, Seidin!

Hildelif~~!
Please don't say such things, it makes my heart ache!
So leave!
Ooh
The reason the arcangel headmistress failed you from that starting angel test was due to your humanic personality!

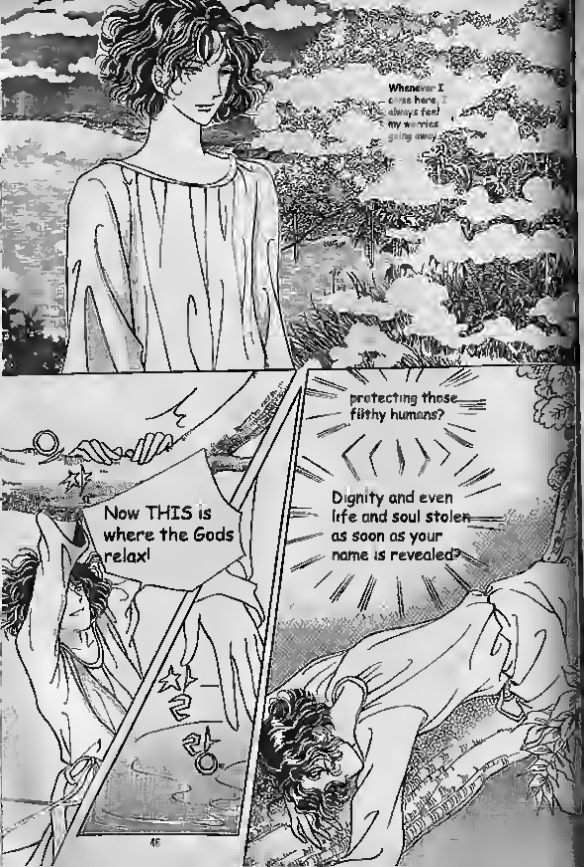
What the hell! If it was thanks to my personality, she should have just passed me!
No, like right now I mean! You have a personality in which you talk with a cruel attitude, like humans!
You, who is one of my strongest and best angels, failed for that one reason and that one reason only.
If only you think about purity and yourself, you'll definitely pass the next time!
Hmmph!

You've been very stuckup ever since you passed and recieved your wings!
Can you even float the littlest bit?
Of course, although not very much!
flap flap flap
Truthfully, I feel happy merely with the fact that I've recieved such a fine gift!
If only I practice just a bit more, I can spread my wings far and wide and I can become a true guardian angel!

You want to become a guardian angel that looks over THOSE filthy humans!
Well, it must be the water but that's SO yesterday. You must have a goal like mine, to become KING of the heavens!
His personality matches his naive face and his puny little wings!
Hey! Where are you going! You're going where we are not allowed to go!
I'm planning to chillax there!
No! The place, the Sky Lake, connects the heavens down to the human world!
So?!

If you go down there, one of the hu mans may end up discover- ing what your name is
And then you will become a nameless being that can never fully become a true angel
* Used in a term like "teach- er's pet" and you prob know what THAT is
how kind
Listen up, you God's pet*!
This isn't my first time going to Sky Lake!
The omen stuff is just made up to scare us!
Just go back down and study your soul out.
Hidelif~~~~!

No! Come back! When headangel finds out, he'll be furious!
And do you think I'm scared?
I'm already known as the sinful one.
Sky Lake...



Whenever I come here, I always feel my worries going away
protecting those filthy humans?
Dignity and even life and soul stolen as soon as your name is revealed?
Now THIS is where the Gods relax!

Flutter
That idiot Seidin. He's too naive
Such a pity... Has the skills to become the best of the best, but the personality...
Hidelif, he needs some sort of a lesson. Wouldn't you agree, nature fellows?

Now, go! 5 laps around the field!
Are you guys even running?!
Heki Heki
Look at her hair! It's lunch right after this, but I lost my appetite!
Yes! I perfectly agree! YUCK!
Besides, I can't seem to manage my gigantic boobs!

Yeah... Your breasts must be so sweaty right now
sarcasm
Yeah! I wont to take a shower!
When do you think this horrid summer will end?
Haa
Haa
Come to think of it, the sky seems to be getting higher
Hmm?!
WHAT?
No, I just thought I sow something

반짝..
Hildelif?
sfx- sparkle
What? What?
Eh
WHAT?!
I just thought I saw something up there!

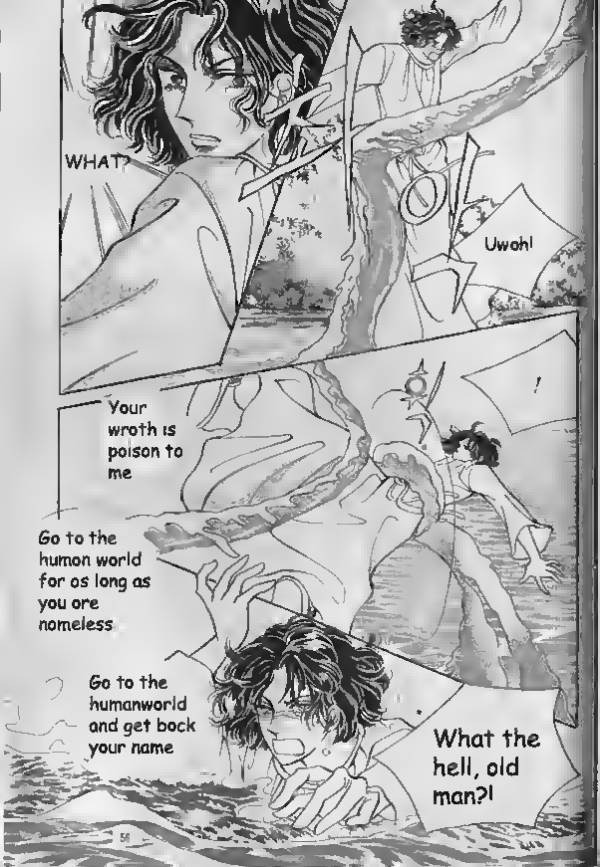
What are you guys doing just resting? Run! Run! Run back here for a lecture!
Like this?
GRR-!
How strange?
Hmm?
I remembered someone's name just now, but I forgot it again!
Yea that IS weird

Nah, it was probably just me!
Hey~! Did your sister do something to you again?
I really remembered something! Why can't I remember?
Hildelif!
Hildelif!
Hildelif!

When did I fall asleep?
Hey! Hildelif!
FWISH —!
SSSSSSS
Was Sky Lake so breezy before?

Why are you here, Seidin?
You were the one making a fuss about this place being for God only!
The head arc angel has learned of you being here, and is angrier than angry!
!
So what?
I'm afraid that that isn't all, Hildelif.
Alas, God, why me? Why was I chosen?

F
S
S
H
The lake water!
O' Foolish Hildelif...
Head arc angel!
One of the humans have found out your name!
!



WHAT?
Uwah!
!
Your wroth is poison to me
Go to the humon world for as long as you are nameless
Go to the humanworld and get back your name
What the hell, old man?!

Hey, Hideiif, you have to drink this, I'm sorry...
You were in on this too?
DROP
You bitchy old men!

Go, Hidelif, and then become a true angel.
.....?
What's going on here?

I should be able to breathe underwater well.
So why can't I?
I feel so limited, somehow.
Hidelif!!!
Hidelif

Seidin
Y-Yes!
Did you feed him the amnesia potion?
No, he was just too violent to handle!
Then go with him, and tame him
?!
!

Yaaaaah!
Do you think it will go well?
Well, everything depends on the chosen human.

What? Where is this?
Glass wall?
Underwater? Where is this?

A person?
SHIT! He's drowning!
Gasp
Hey! You! What are you trying to do! Swim! Swim!

Ugh. Can't breathe. Why do I have to go through this?
Hey! Float up!
Shit! What's up with this glass wall? For watching when others are dying?

Why is a human looking at me from there?
Don't just stare at me like that!
If you want to live, swim!
... ..!
The person who found out my name?
Hey, wait up!
YOU CAN'T! THE WATER-

Uah...
Hey! No!
What?
eh?
Sis!

Screams? Did I have a dream?
You were sleeping for such a long time!
Your screams were so loud your "Bro"'s mandu exploded!
Strange, I don't remember it.
It was a worthless dream
Huh, I know for fact it was an important dream, I'm out of breath.
Now go deliver some mandu. Your turn.

But it's raining--!
Be glad you have a home to live in the first place!
Aw, shit, I never get to take a break.
Either way, I'm just a homeless lamb!
Your gym teacher ordered mandu You know where she lives, right?
Gymmie did?
You told me she lived near by

You're not even pretty, but you're personality is the worst!
You drop it, you'll have no home.
I know, okay?!
I feel so dizzy.
So dizzy.

It should be here.
Mandu's here, can I go now?
On a day like this, beer and mandu is the best!
AH!
Suyun, you're delivering yourself?
That's the only reason my sister hasn't killed me yet.

Now please take.
.....
This, this girl..
Has the fate to become a flawed angel, no, his assistant..
Don't look at me like a pervert!
Wont you take it or what?!

Yeah, thanks
And I have a request...
?
You're delivery only, no coming directly to the shop.
The others will be scared stiff if they see you
How dare you say such a thing! I'm a godly teacher!
A f*cking student is she

And what happened to the dude that should be here by now? F*CK F*CK F*CK!!!
Cold!
So hot! Yet, so cold!

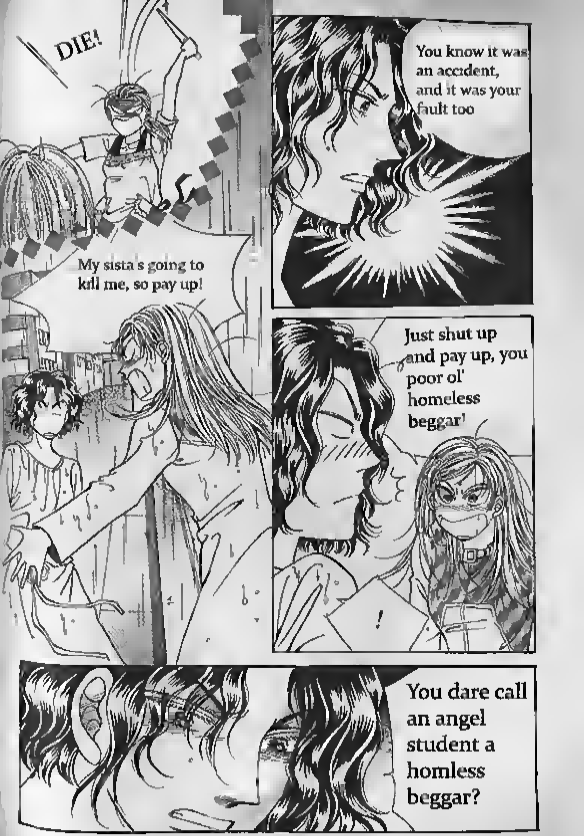
Head arc angel, whawt have you done?
I feel hot, yet cold.
Have I become a plain human now??
So I need to find the angel hidden on earth...
Yeah! Just this house and I'm done!

Kya~~!

Are you okay?
Shit! Do I look okay?!
Shit no!
Eh?

That' s strange.
Have we met before?
No.. Can't remember! I must have hit my head somewhere!
Of course not, idiot! It's my first time in human world!

Well, you seem busy and so am I so . Adios!
He's so rude- and dressed in some ragged clothing!
Hey! You're just going to leave?
Hey! Look!
6
Because of you, the good noodles have been spelt! The mandu floats around hopelessly!
And you're seriously going to leave? Really?
Pay Up.



DIE!
My sista's going to kill me, so pay up!
You know it was an accident, and it was your fault too
Just shut up and pay up, you poor ol' homeless beggar!
You dare call an angel student a homless beggar?

What? Angel?
Guardian angel? You are just a filthy human!
I'm the angel, I'm guardian angel! Bitch!
He's gone crazy!
Kek!
If you keep pretending, you'll go to hell!
Stop talking nonsense, give me your name and address.
!
WHAT?

Stop dilly dallying and just say your name!
What's my name- my name- my name!
Is this how it feels to have your name stolen?
Will you not speak up?!
I'm not quite sure..
Ugh!

Why do you want me so damn angry?
Let go, bitchy human!
And stop calling me human!
Well you are one!
Sob Hic Hic
Wazzat!
Sob sob hic!
. ...?

Wadda do?
Seidin! It really is you!
Seidin?
I thought he really was a ghost!
What happened to your hair? And your wings?
Hic!

Wadda gonna donow?
What the heck do you think you're doing? You crazy?
Seidin-- what happened!

Y-y-y-your chest!
I've become a woman as punishment from head arc angel!
Head arc angel!
What have you done? If you wanted to make a woman why did you do it to SEIDIN, the most ugly of people!
What? They wear the same clothes, they say the same delusional thing. Have they escaped from a mental institution?
Could you not atleast create a sexy woman?

Hello?
!
Don't worry! I'm almost there, right about to knock on their door!
A girl? Really?
Kenshi!!!
Where the hell are you? The houses are complaining that their mandu isn't there yet!
Oh, and sis.. I kinda spilled the mandu, so so I need a new batch.
?!!
You're so dead!

Now shut up, do your job, and come back here!
Of course
Shit! Spit out the money!
What?
He ran away!

Don't! That belongs to someone else!
Do you really weant to freeze to death?
We are already freezing!
B-But that's stealing! We'll be punished!
We've already been banished. Can't get worse.

Hey, do you remember my name?
?!
Oh, well I kind of forgot it while I was being sent away from paradise.
You really should have listened when I told you not to go to Sky Lake!
What kind of worthless being are you?

Please don't! I may seem this way, but the reason I came was to help you!
Despite my gender and losing my wings, I still came down- didn't I?
Stop the whine and just try to be less annoying!
Sometimes you seem more like a demon than an angel!

Hey, wait just one second!
ROOMY N E
??
Hey hey! Let's go over there and change!
!
H-h-hey!
Will you or will you not? Do you know how humans see us? They see us as homeless beggars!
Don't scream! You scare me!

Kua-- how refreshing!
Why do you eat outside like so?
Oh, don't mind me. I'm waiting for someone.
Is that so?
I knew it was a poor brand angel, but why must he make me wait so long?
So you are...

Yongjun Bae, the arcangel on earth?
Yes, yes, my heaven name is Raefeld!
*Smile

Ah, so the beloved last-place stupid head is finally here!
What?
Yeah, and what of you? An angel dressed so poorly as you?
I'm sorry, Sir Rosfelo! Please excuse my friend's rude behavior!
Who are you?
Yes?
I didn't hear of anyone else coming
That's got to be an accident! Head arc angel sent me here personally!

Accident or not, I really don't have room for anyone else.
But oh, good job adjusting! Already you have a uniform on!
Good job, stupid head!
Really? This thing?
Until you return to heaven, you'll have to keep wearing that high school uniform!
!

So you were beat by your sis all night?
Yes!
The only thing scarier than Suyun Jang is her sista!
Won't the upstairs people kick you and your sis out?

No way- the sista's too bad-ass! It will be the other way around!
Oh, yeah
And I had to suffer for the sake of the stupid stranger!
I'll send 'im to hell!
How horrid! I'm hungry now! I'll be at the mall!
She's hungry? She's so strong.

Sunhoo!
Sunhoo Min!
Wait for moi~~!
You really like that name?
Well we don't have a choice on earth! Besides, it's the name Rosfelo gave us!
You know what mine is, right?
Hmm, what is it?

Soojung!
Soojung Lee!
We re cousins,

didn't have is
here! You d

how this feels!
Well, it's
God s will
after all
If it had
happened
to me, I d

myself

Strange! How come your name isn't gone although the human girl heard it?
You didn't know?
Losing your name is only possible while passing Sky Lake!
My name probably just sounded like a muffled scream!
!
So I was just unlucky.
Don't be sad, Sunhoo
We'll get your name back soon!

You don't have to tell me! I know that stuff!
Shit! How will I find the girl who stole my name?!
!
Girl....?
How do you know it was a girl? How?
!

Oh, that...
That's strange. Why did I think it was a girl?
Hey you!
And I faintly remember seeing someone while passing sky lake!
...!
Shit! Can't remember!
Sunhoo!

What?
We're late! I was never late for school in heaven!
That's it? We're just a bit late?
Sir Rosfelo told us that here, lateness is treated with insults and beatings!
Hurry!
But seriously, you scream JUST like a girl!
Ehmagod, you're lying!
Shit!

Hola! You're late! I'll tame you, Sunhoo, bit by bit!
ESPECIALLY you, Sunhoo! Get it?
Everyone! Twenty laps around the field, 100 meters per hour!

But girls will only be smacked once!
Yeah~!
So I won't have to run?!
Since when were you a chick?!
But Sunhoo, you know I'm bad at running!
You disgust me!
But you were once a boy, counting that..
Kek!
You'll be smacked twice as all!
Thank you!

Go!
KYA!
Now, once more!
Let's go run! Hurry!

What's so noisy?
Yeju Jung! Come over here!
What's she doing?! She said she was going to the mall!
I think she believes it to be party-day
Shit! Get away from me now!
Now go away before I become super mad!
You've still got no etiquette!

Both of you, halt at once.
Suyun Jang, tell me now exactly what Sunhoo did.
Cause not!
You okay?
He did "this and that" yet he still didn't repay me $10!
Why should I?
$10, huh?
Oh, so he's gonna help me?

Sunhoo Min, why delay? It's just ten bucks Pay up

Hot
What a hottie!
And I thought I was hot.
I'm Sunhoo Min.
Sujung Lee, please take care of me
Sunhoo Min?
The chick next to him is a bomb
That's strange...
What's wrong?

Sunhoo Min... His name is familiar, and so is his face!
Where does he live? If I know such things, he'll be oh-so-trapped.

Don't fret over spilled milk, don't fret over lost ten dollars. It's just ten bucks.

JUST ten bucks? It's the money I spent hours to earn, only to it have been taken forcefully by someone named "Sis"!

But where did I ever see him before?

He's not a hottie, he's a bomb! P.U.!
They're cousins, can you believe?
Great job, dumb ass. Why don't you write a report on how you're transsexual?
What did I do wrong?
Do you think we can survive here, now that you've claimed that we're realated to Gymie?
Why were we sent here, we can't help anyone. Not even those dispicable humans!

That's. . A perverted comedian!
But why do I look like this?
But I'm strange too. That's all we do with Suyun and Hyunju, so why do I feel this way, as if I'm about to choke?

Hello, cute one! What do you want?
A job!
A stranger gave me this.
Dear Guardian angel, I really need help. Let's meet at **park at **pm.

I'll be gone for a second!
Sure, but don't take too long!
Yes~!
Oh, and if a bratty looking boy comes by, he owes me $10. TEN BUCKS!
Oki!
Jjang- school gang leader
Ah! Jjang! Here comes the bitch!

Bitch! I'm the Jjang! Junghoo Min's my name!
Junghoo Min?
His name is similar to that creep's.
Oh, but I don't seem to have you in my database.
You may have beat up my underlings, but you're quite cute

So you came fore revenge?
Hey You!
I heard you beat people up for cash!
Jjang!
If you alone can beat them up, the money is all yours Deal?

This is a special case so I'm lending you money! Pay me back soon!
Shit!
When and why did I get into this mess?
Hello~!

Hey! What about the cash! Ten buckss!

I'm giving it to her myself! Okay? Get it?
Yes, yes!

You haven't gotten better yet! Why even try to fight me?
You're funny, Suyun Jang/
You're really funny, Jang
Aack!
He was out for a second, but now he is stronger ?!

Is it because the Jjang is watching?
Be wary of all of us, Bitch!

Eheheheh?

Oh my god!
How much money is this?
God hasn't completely given up on me yet!
Eh?
Thwep!

Now stop.
How was it? If you kneel down and say sorry, I'll let you go. Maybe.
Don't kid me. The fight isn't over just yet.

AWK!
I let you go because you're a chick, but your persona just gets worse and worse
Now if you try pullying one on me ever again, you'll really get hurt.
Kya!
I can't put strength into my arms!

Let go!
Sunhoo Min?

Sunhoo Min! What are you doing here?
What?
As for you, why aren't you selling burgers now?
You were at the store just now?
That's exactly ten bucks I counted.

Oki!

Sunhoo Min?
But he's.....
How dare you stop us?!

Just go already! I have business to finish here!
Are you hurt?
It's just a scrape.

That face... It's definitely Sunhoo Min!
I'm certain!
But Sunhoo Min is dead!
Eh? I've never seen him so calm before! Ever!

Oh, yeah!
My holy powers were taken away!
What the hell! You're trying to pull it off, even now? Scum!
I'm not trying to pull of anything!
Oh, and you can just ignore me like that!
.....

Suyun Jang! How about fifty bucks, for this fight occasion?
No way!
You can't even fight, so go away!
Sold! For thirty bucks! How cheap, how cheap!
Hey!
I was always angry because in heaven, fights were prohibited.
Do you want to start now?

I didn't hear anything about a knight in shining armour, Kangil Choi.
It wasn't supposed to be like this! He's just a random passerby!
This is kind of not worth thirty bucks!
!

Gasp
Ahuk!
Yaaaah!

No way! He was beaten up by me on that rainy night, so defenseless!
Wait! My thirty bucks!
CRACK
Auk!
Hey! What the f*ck are you doing? Is that really the way to fight now?
SCARE
Look behind him! He's defenseless!

Suyun Jang! What are you trying to do here?
Do you really think I want to lose thirty bucks for this?
Oh, so you encourage the enemy to defeat your ally?
And who exactly is my "ally"?
GRAB.....!

What the heck are you, huh?
Hey human, you're pretty fast at this
Do you not like my name and face now?
Cuz if you don't, then you should get away from me!
SMACK
Why are you using the face and name of Sunhoo Min?
Jjang!

But he... Didn't know how to fight.
Reburth is impossible.
I just don't like your face, stupid!
Uwah!
!

Kangil Choi, we're done for today.
Yes sir!
We're going back, guys!
Make sure the sidekicks are coming too!

He has a pretty strong fist!

SNEAK AWAY

Wait a sec, Suyun Jang!
Gimme the money.
You're the one who joined the fight. I have no faults.
So I helped you until I bled for nothing?
.....?

Uwaa!
Money, cash!
Money, bucks!
Hold on!
That cash is mine!
Is your name on these bills? How can you be so sure?

Don't! The jjang earlier gave it to me as payment for fighting me!
It was on the ground, it's my money now! Are you some pickpocketer?
TAKE
Hey!
Are you crazy! It's MINE!
Don't you know I hurt my arm here?
Give the money!
Flutter ~

NO!!!
Come back!
Let's run and get it back!
Hurry up! We gotta run fast!

Your face is so red! Did you drink again?
Junghoo? You're back?
You know your Dad will kill you if he finds out!
Look at me, Junghoo!
Mom
We'd have been like dead meat for Father if you-know-who had been still alive, right?

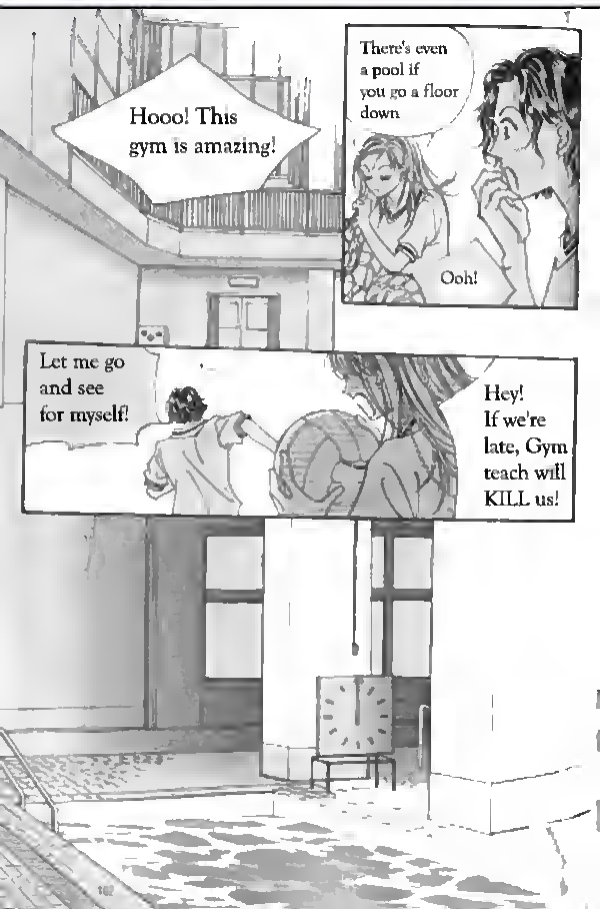
Why are you saying such things now?
Shit, it's all because of you.
What?
Don't say such stuff!
Because you're just a stupid second wife and it was hard to have me.
That's because of the alchohol!
Go eat something!

Always filthy clean.....
Sunbae-Mon...
Always a lively room..
Shit- it's like you're still alive.

It's because of people like you that I feel like crap!
You should be dead now! Dead people can't come back!

Haa..
Haa..
Why did
I think of you
Suyun Jang?
Not only is there
the matter with
Sunhoo, I must
watch over Suyun

Hey, Sunhoo Min and Suyun Jang!
Go to the gym and bring us some balls!
Why us!
Don't talk back to me! You will be punished! Now go!
WHINE
WHINE
If that Hideliff wants to go back to the heavens, he must become kind. But to have that happen, he must become close to Suyun.



Hooo! This gym is amazing!
There's even a pool if you go a floor down
Ooh!
Let me go and see for myself!
Hey! If we're late, Gym teach will KILL us!

That's strange, I feel a bad aura coming from the water
Oh , really?
